Mirror

The frame of this vertical mirror, made from the use of solid wood strips that create a three- dimensional and dynamic motif, is an expression of an exclusive aesthetic and technical concept.

Alone or in twos, with its main size, it is suitable to give character to any room, even as a floor standing mirror.

Finishing

Available in an extensive range of refined marble, wood, lacquered and ceramic finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.

Wood Finishes

The finishings are available in multiple categories and delineations. Click on the link below to view and download the full range of finishes on offer.
