

Simply Consoles

Essential volumes, enriched with luxury materials and outstanding construction details, like the aluminium filigree and profiled door, give shape to elegant console units, either mounted on the wall or resting on solid tempered-glass supports.

Simply consoles are lightweight, and can be linear or more articulated in their design. They work well in different interior settings, creating a wide variety of options to complete the look of your entrance or living area.

Finishing

Available in an extensive range of refined marble, wood, lacquered and ceramic finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.
