Coffee table

This sophisticated coffee table set features a stunning tri-level design that blends organic shapes with premium materials. It showcases two asymmetrical travertine stone tops with natural, porous textures and a smaller, elevated smoked glass surface, all supported by robust, sculptural dark walnut bases. The interplay between the earthy stone, sleek glass, and rich wood creates a modern minimalist aesthetic that is both functional and architecturally striking.

Finishing

Available in an extensive range of refined marble, wood, lacquered and ceramic finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.
