

Butterfly

Mirror

Conceived as a universal graphic element. It is a symbol in which everyone can see a reflection of their imagination, becoming something different each time: a leaf, a drop of water, a petal... or an entirely new visual composition, created by arranging several elements in ever- changing shapes.

Finishing

Available in an extensive range of refined marble, wood, lacquered and ceramic finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.

The finishings are available in multiple categories and delineations. Click on the link below to view and download the full range of finishes on offer.
