

Cometa

Sideboards

Cometa is defined by contrast and controlled movement. Solid wooden volumes are intersected by a lighter suspended upper element, creating a clear architectural tension between mass and levity.

Technical Description

Sideboard with matt,glossy, metallic lacquered or wood veneered structure, with multiple options for top finishes.

Finishing

Available in an extensive range of refined finishes . Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.

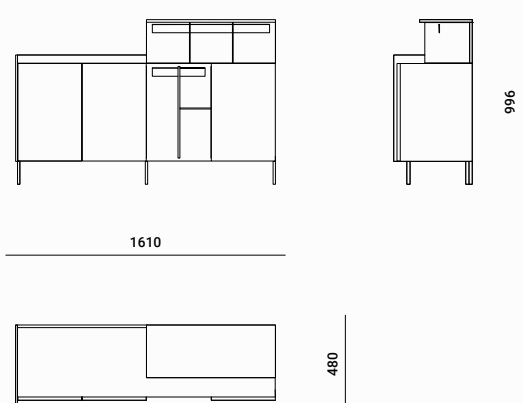

Available in a variety of :

Matt Lacquer
Lacquered Metal
Wood Veneer
Glossy Lacquer

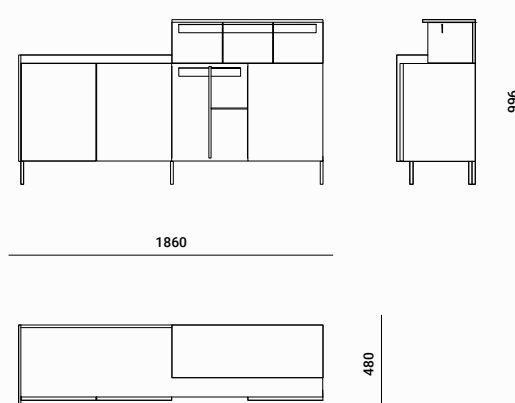

The finishings are available in multiple categories and delineations. Click on the link below to view and download the full range of finishes on offer.
