

## Finishing

Available in an extensive range of refined finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.

Available in a variety of :

**Matt Lacquer**  
**Lacquered Metal**  
**Gres Ceramic**

The finishings are available in multiple categories and delineations. Click on the link below to view and download the full range of finishes on offer.

## Quadrис

### Sideboards

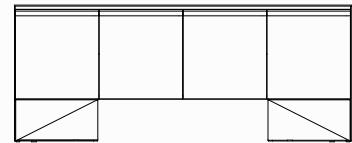

A piece of furniture that dedicates space, attention and affection to those small domestic secrets, holding them closed behind porcelain stoneware doors with various marble-effect finishes.

The top, made from the same material, creates a continuous and elegant surface while the entire cabinet is framed by the bronze finish metal that also characterizes the grooved horizontal strip handle that runs across.

### Technical Description

Sideboard with hinged door and metal structure in standard and special lacquered finishes.
