

Legolas

Beds

Generous proportions for an elegant and enveloping bed.

Designed by the STI Milano studio to become the centerpiece of the bedroom, where it performs best when positioned in the center of the room. It is distinguished by its slightly inclined headboard and the sophisticated decor effect of the interior upholstery.

Finishing

Available in a wide selection of premium fabrics and leathers, offered across multiple categories to suit diverse aesthetic and functional requirements. Each covering is meticulously tailored, with precise stitching and refined detailing. Below are our suggested finishes for this product in both fabric and leather.
