Table

This luxurious modern table features a distinctive oval Calacatta marble top with dramatic grey and gold veining. It is supported by a bold, sculptural base composed of two interlocking, curved bronze panels with a brushed finish. The striking contrast between the polished marble and the textured metal creates a sophisticated statement piece, beautifully accented by a delicate floral arrangement in a white abstract vase, all set within a refined interior with classic wood paneling and a textured rug.

Finishing

Available in an extensive range of refined marble, wood, lacquered and ceramic finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.
