

Balance

Console

This modern minimalist vanity console is defined by its clean lines and sophisticated monochrome aesthetic. Crafted with a high-gloss off-white lacquer finish, the desk features a sleek silhouette where two thick, rounded side panels seamlessly frame a central storage unit. The design is elevated by an elegant inset glass top, which provides a durable work surface while offering a clear view of the interior. Maintaining a seamless look, the integrated handleless drawer blends perfectly into the frame, embodying a refined balance between mid-century inspiration and contemporary functional design.

Finishing

Available in an extensive range of refined finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.

Structure:

Matt Lacquer
Lacquered Metal
Glossy Lacquer

Top:

Marble
Gres Ceramic
Glass

The finishings are available in multiple categories and delineations. Click on the link below to view and download the full range of finishes on offer.
