

Linea H

Night group

The Linea H Night Collection offers a sophisticated interplay of textures and silhouettes, designed to bring a refined architectural presence to the modern bedroom. This ensemble features a curated progression of heights, from the low-profile bedside units to the commanding vertical chest, all united by soft, elliptical contours. Crafted in a luxurious palette of dark oak, brushed brass, and rich walnut, each piece is topped with premium marble or glass inserts, blending timeless materiality with a bold, contemporary aesthetic.

Finishing

Available in an extensive range of refined finishes. Each material is selected for its structural integrity and visual discipline, then executed with exacting craftsmanship. Every surface treated to emphasize depth, texture and permanence. These finishes elevate the character of the collection, reinforcing a unified aesthetic while allowing precise customization to suit varied interior visions.
